

You work hard for your money

If you unionized...

The Teamsters would expect you to pay dues of **2.5 times your hourly wage every month.**

Every month, you would work the first **two and a half hours to pay the Teamsters.**

If you earn \$40 an hour, your dues may be \$100 per month or **\$1,200 per year.**

Scan the QR code to calculate your monthly dues payment and total yearly dues.

Turn over to learn how a union security clause could cost you your job.

The Teamsters will prioritize a **union security clause** in a labor contract that would force you to pay dues, as well as applicable fees and assessments.

Union security clauses also permit the Teamsters to force Corewell Health to **terminate you if you do not pay dues, fees and assessments.**
