

Dues for All

SEIU Healthcare Michigan charges full-time unionized team members at Corewell Health **dues of \$55 every month**. Dues are deducted from their after-tax take home pay.

Look at how dues could impact your pay:

Monthly Dues	=	\$55
Annual Dues	=	\$660
Dues paid over a three-year contract	=	\$1,980

Under a union contract, unionized team members could be **required to pay dues or fees just to keep their job** at Corewell Health.
